- If utilizing this lot, please park in the spaces closest to the Whitestown Fire Station (SE quadrant of the Church lot)
- After parking in this lot, progress to the sidewalk on the west side of Indianapolis Road and begin your walk to the LL complex, passing directly in front of the Whitestown Fire Station. This 1/2 mile walk should take approximately 10-15 minutes.
- NOTE: There is no shuttle provided by Little League.
- Once you reach the LL complex, follow the instructions of the police officers to ensure you can safely cross Indianapolis Road onto the complex property.

**Seating**

- Our Brownsburg team will have approximately 45 passes for reserved seating to share among team families only.
- All other seating is General Admission and is first-come, first-serve.
- There is bleacher-style seating behind home plate.
- Additional bleachers have been added behind right field.
- Fans can also sit/stand down both baselines and in left field.
- You can bring your own portable chairs.
- Please stay behind all rope line and barricades that are set up.

Both the Little League Central Region and BLLB have full assumption and expectation of a very large crowd for Saturday's game. Please plan accordingly to ensure you have enough time to park - potentially in the overflow lot - and arrive at the facility for the 7:00pm start. We want to pack the complex with Brownsburg supporters but we want to do so in a responsible and respectful manner. There will be plenty of additional eyeballs on our team, our League and our community - let's each one of us do our part to represent positively.

Go Dogs!!
